

Adlingtons

Engineering Solutions

Founded in 2002, Adlingtons have built a reputation for high quality solutions.

Products

- ▶ Mechanical Engineering
- ▶ Electrical control engineering
- ▶ Replacement of old for new
- ▶ Bow to stern pipe and instrumentation
- ▶ Inspection and test services
- ▶ Pressure vessels
- ▶ HVAC and refrigeration systems
- ▶ Fresh water, cold and freeze systems
- ▶ Filtration and oil separation systems
- ▶ Modular fabrication

Capabilities

- ▶ Project management
- ▶ Design engineering
- ▶ Refrigeration systems
- ▶ HVAC + Refrigeration engineering
- ▶ Robotic pipe + tube bending
- ▶ Welding, stainless, copper nickel alloys, carbons
- ▶ Maintenance through life support
- ▶ Weights loads and pressure testing
- ▶ Measures engineering certification
- ▶ Laser cutting
- ▶ T-Drill cold tee forming
- ▶ Brake press services
- ▶ Precision machining
- ▶ Plate and sheet rolling
- ▶ HDPE welding
- ▶ Refrigerant commissioning + recovery
- ▶ OEM mechanical commissioning
- ▶ Regeneration pipe line cleaning
- ▶ Equipment lift and shift services

Adlingtons extensive experience in process engineering ensures our customers receive optimal system performance.

Discriminators

- ▶ Adlingtons are certified by the Australian Refrigeration Council and successfully delivered the on board process systems for the Air Warfare Destroyers
- ▶ Demonstrated experience in the delivery systems for the Australian Defence Force
- ▶ 20 years delivery air land and sea engineering solutions
- ▶ DIFOT Performance: 100%

Key Customers

- ▶ Air Warfare Destroyer Alliance
- ▶ ASC Ship Building
- ▶ Lend Lease
- ▶ Thales
- ▶ ATK Launch
- ▶ Santos
- ▶ Pernod Ricard
- ▶ Accolade Wines
- ▶ Haigh's Chocolates
- ▶ Lion Nathan
- ▶ Treasury Wines
- ▶ Coopers Brewery

Key Partnerships

- ▶ Qualified Australian Defence Supply Chain
- ▶ Defence compliant material suppliers
- ▶ Daikin and Scope Industrial dealers
- ▶ 3rd party international ISO auditors
- ▶ National mechanical component suppliers
- ▶ Major electrical control suppliers
- ▶ International OEM's

Quality Accreditations + Awards

- ▶ ARCTICK Licence AU43107
- ▶ Ozone Protection and Synthetic Greenhouse Gas Management Act Compliant
- ▶ Plumbing, Gas, Electrical Licence 195026
- ▶ Master Builders Licence 281761
- ▶ OHSAS ISO 45001 Safety
- ▶ ISO 9001 Quality Management
- ▶ ISO14001 Environmental accredited
- ▶ DTC Outstanding SME Finalist 2016
